

Download April To April My Year Beating Prostate Cancer

In April last year, I got the first indication that I might have prostate cancer. The highly aggressive nature of the cancer that followed could easily have taken me out. By the following April, I had completely beaten it. “In April last year I got the first indication that I might have prostate cancer. The highly aggressive nature of the cancer that followed could easily have taken me out. By the following April, I had completely beaten it. I’ve been a professional writer/researcher for 30 years, so it makes sense that I would write a book about it”.
